Hold up, wait
Pull up with the money at the bottom of the lake
Pull up with the bag, pull up with the duct tape
I ain't even gonna, I ain't even come late
Mind on my money and my pussy on juice
Niggas makin' headline news
Chained to a tact, run up on a bitch hittin' with the click clack

Hold up, hold up, wait
Cowards in a cape
Fuckin' no mistake
Nigga wrong lake
Hold up, hold up, wait
Pull up in a cape
Fuckin' no mistake
Hold up, hold up, hold up

Back with the [?], back with the hummer
Back with the glamour
Back with your nigga, nigga, nigga, nigga, nigga
Fuck with my hitter, fuck with my hair
I'ma leave you down, I'ma leave you down
I'ma leave you bitter, bitter
Black, white, blue, all my gully's comin' through
Every time you see me, I be stuntin' with the crew
Got the juice, color of fruits
You's, runnin' from whose?
And your baby mother, tryna lick the nanner in the coupe

Hold up, hold up, wait
Cowards in a cape
Fuckin' no mistake
Nigga wrong lake
Hold up, hold up, wait
Pull up in a cape
Fuckin' no mistake
Hold up, hold up, hold up

Come again? come again?
Only cash, when I spend
Pull up on 'em with a bang
Make a nigga do this thing
Coffin, coffin, right now
Gotta get my breath now
All my shows sold out
Bitches better pass the crown
Huh, woo, ooh they really want war
Huh, this the come up
Pull my gun out on these niggas
Make a nigga wanna throw they hood up
In my hood, I'm good
I make a [?]
Fully equipt, I'm a savage
I hope on the dick then I dab bitch
Then I go make that me cho-cho
She gotta no no, she a loco
No tengo tiempo foh bobo

No tengo miedo de a locos
Nadia, neigh, I mean nada
Cuando entro te sientas
Came to attack, run up on a bitch hittin' with the click clack

Hold up, hold up, wait
Cowards in a cape
Fuckin' no mistake
Nigga wrong lake
Hold up, hold up, wait
Pull up in a cape
Fuckin' no mistake
Hold up, hold up, hold up
