Felt like I was findin' it  
And then you lost me  
Fell in love, was boundin' it  
'Til you messed it up  
My love, tried to do, to work you out here  
But it don't make no sense, ooh, ah  
They call me KD, shoot inna mi shots and trees  
But you tryna play me like Jordan  
Only 'cause you movin' for your eyes  
Well, I do, do  
That's me, body pon di 'Gram, IG, Stefflon Don, icy  
Stefflon Don, YC

Crazy, sexy, but I'm so cool  
Blessings on me, my bank book full  
Man dem want me when I walk through  
Let me show you, let me show you  
Let me show you what I could do  
Work my hips and you lick my juice  
Got you tempted to say, "I do"  
Soon this ting set up

You left me solo  
Solo (Cold like darkness), solo (Cold like darkness)  
I may be rude, but don't you go leave me solo (Cold like darkness)  
Solo (Cold like darkness), solo (Cold like darkness)  
I may be rude, but don't you go leave me  
Cold like darkness, cold like darkness, cold like darkness

When I fell in love, it was bitter  
Take a shot fi di kicker  
'Cause you never stayed in the picture

Body loud like arena  
And I gave it all for you, oh
