

Win

Stefflon Don

This the realest shit I ever said (DJ Khaled!)
They don't want us to make it
They want us miserable, they want us broke
They wanna finish us
They don't want us to win (another one)
So we gon' win more pon dem bumboclaat

They don't wan see mi mek it
Everyday, another ghetto yute haffi leg it
Dem a just neglected
All dem try on a set, none a dem couldn't set it
Dem nuh wan see we mek it
Dem nuh wan, dem nuh wan, dem nuh wan see we mek it
Turn dem and we set it
Every hour mi win, dem nuh don't wan mi see get it

Big mi up pon the lean, star
But we know that the fussy dem nuh don't like we
Dem wan itch up, itch up in a corner
But they just wan spite we

Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see we win

Dem badmind and jealous
Dem a pree mi ting, a wish bad fi it
But God blessings, a God mi seh
God blessings, a God mi seh
Every night, mi a pray to Jah, me seh
Dem nuh really badmind like dem, no
Clean heart a win everyday, good over evil a wan mi seh
Fuck all dem badmind people dem
Dem all dirty, dem all dirty, yeah
Dem nuh don't wan see we win
People hot and badmind, dem nuh wan see we win
Dem a chat 'bout mi ting
Chat dem a chat but dem nah do a ting
Dem nuh wan see we win, dem nuh wan see we win
Chat dem a chat 'bout mi ting but
Not a penny dem have inna dem bank book

Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see mi win
Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see mi win
Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see mi win
Dem nuh wan see mi win
Chat dem a chat but dem nah do a ting

You nah fi ask if I got it like dat
Fresh, ever clean, everyting haffi match
Money haffi spend but the money come back
Batty fat, belly fat, everyting just a drop
Ever just make it like dat
Mi haffi carry nuff pressure pon mi back
Mi momma get nuff lick fi from mi daddy

So mi haffi make sure that she have it
So try chat to mi, chat to mi
Nuh a dem gyal a can't chat to mi
Chat patois if you can, then nuh chat to mi
Face pretty but yuh inside damn ugly
So gwan yam batty
Likkle girl, go find your baby daddy
Hmmm, we can't find nowhere
Look a job and ready, drop a sleep
The fucka wish dem a me

Big mi up pon the lean, star
But we know that the fussy dem nuh don't like we
Dem wan itch up, itch up in a corner
But they just wan spite we

Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see mi win
Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see mi win
Dem nuh wan see mi win
Dem nuh wan, dem nuh wan, dem nuh wan see mi win
Dem nuh wan see mi win
Chat dem a chat but dem nah do a ting

Some bwoy dem a choose evil
We choose Jah
They played themselves
You can't stop what's destined in the wind
Stefflon Don, they wanna finish you
They want you broke, they want you miserable
So make sure you become a billionaire
