

Sexy, cute, pretty, fun, fly
I'm a Barbie girl
Ah, ah
Stefflon Don
INNA

Those hungry eyes
Tracing my body lines
All night, baby, you can hide
Got a sweet tooth, wishing I could feed you, mmm

I got that cinnamon, cinnamon pie
Watch it dripping down, down my thigh
Ain't no innocent, innocent mind
In this club tonight

I know you want my body
Baby, I'll give you one more taste
Don't rush and take it slowly
Can't eat it all in just one day
I got a lot of sugar
That's what you get when you eat cake
I know you want my body
Want body, baby, you say
