

# Bye Bye Blues

Stela Cole

I've been up all night  
By the phone and I'm crying  
Drowning in orange wine  
Trust me this is me trying

You said forever  
But you lied  
We're not together  
Baby why

And I told myself that I would never fuck up again  
Then I go ahead and fuck it now we're fucking again  
Used to have a brain but I don't know where it went  
Yeah you, yeah you

Yeah you (yeah you)  
Almost had me saying I do (I do)  
Till you hit me hit me with the bad news (bad news)  
Now I'm sippin' on my sad girl juice  
Cuz I got nothing to lose  
Got the bye bye blues

Bye bye bye bye bye bye blues  
Bye bye bye bye (bye bye bye bye)

Strutting down the stairs  
Dancing in the kitchen  
Silky underwear  
Fridgerator lights, I glisten

I miss your body  
So I'm feeling myself  
Pretend you're with me  
Baby I need help

And I told myself that I would never fuck up again  
Then I said fuck it, and now we're fucking again  
Used to have a brain but I don't know where it went  
Yeah you, yeah you

Yeah you (yeah you)  
Almost had me saying I do (I do)  
Till you hit me hit me with the bad news (bad news)  
Now I'm sippin' on my sad girl juice  
Cuz I got nothing to lose  
Got the bye bye blues

Bye bye bye bye bye bye blues  
Bye bye bye bye got the bye bye blues  
Bye bye bye bye bye bye blues  
Bye bye bye bye (bye bye bye bye)

Put your pinkies up  
If you're a sad ass bitch  
Like a lemon drop it  
Pop it lose your shit  
Put your pinkies up

If you're a sad ass bitch  
But whatever you do don't call him, block him  
Or fuck it, show up piss drunk at his door who cares?!

Yeah you (yeah you)  
Almost had me saying I do (I do)  
Till you hit me hit me with the bad news (bad news)  
Now I'm sippin' on my sad girl juice  
Cuz I got nothing to lose  
Got the bye bye blues

Yeah you (yeah you)  
Almost had me saying I do (I do)  
Till you hit me hit me with the bad news (bad news)  
Now I'm sippin' on my sad girl juice  
Cuz I got nothing to lose  
Got the bye bye blues
