You walk away  
You walk away  
You never loved enough  
Your never home enough

You walk away  
You walk away  
You never loved enough  
Your never home enough

You walk away  
You walk away  
You never loved enough  
Your never home enough

You walk away  
You walk away  
I never loved enough  
Your never home enough

You walk away  
No you walk away  
I never loved enough  
I'm never home enough

You walk away  
No you walk away  
I'm never home enough  
You never loved enough
