

If I Could Cry (It Would Feel Like This)

Stella Donnelly

If I could cry
It would feel like this
If I could cry
It would feel like this

If I could cry
If I could cry
If I could cry
If I could cry

If (if) I could cry (I could cry)
It would feel (It would feel) like this (like this, like this)
If (if) I could cry (I could cry)
It would feel (It would feel) like this (like this)

If I could cry
If I could cry
If I could cry
If I could cry
If I could cry
If I could cry
If I could cry
If I could cry

If I could cry
If I could cry
If I could cry
If I could cry
If I could cry
If I could cry
If I could cry
