

## Tricks

Stella Donnelly

You had dinner at Jude's and you broke all the plates  
Telling your favourite joke where you break all the plates  
You threw all of your clothes off the back of the boat  
You said that you're gonna quit but we know that you won't  
You won't you won't

You only like me when I do my tricks for you  
And you wear me out like you wear that southern cross tattoo  
You said I'd look much better if I dropped the attitude  
Leave it alone, leave it alone, leave it alone, leave it alone

You've got all of your ducks lined up in a row  
Driving back from the job with Kyle and Jackie-O  
You want all of us to pull you out of the muck  
You're always wanting a kiss but then you want to get laid  
Get laid, get laid

You only like me when I do my tricks for you  
And you wear me out like you wear that southern cross tattoo  
You said I'd look much better if I dropped the attitude  
Leave it alone, leave it alone, leave it alone, leave it alone

You only like me when I do my tricks for you  
And you wear me out like you wear that southern cross tattoo  
You said I'd look much better if I dropped the attitude  
Leave it alone, leave it alone, leave it alone, leave it alone
