

## Wishes and Dreams

Stellar Kart

I'm watching you from a scenic  
View taking in your every move  
Who you tried so hard to be full of  
Wishes and dreams  
That did not come true for you  
I can read you like a book  
Sad stories everywhere I look  
Faded pictures remind you when  
What could have been  
Did not come true for you

I'll be the one who makes you laugh  
Make up for the memories  
That made you sad  
Me and you together forever  
We could be someday  
You will find me in all your  
Wishes and dreams

Is it so hard to believe what  
Your eyes cannot see  
Your dream come true  
A love to fall into  
I'm waiting to show you
