

# Don't Stop Doin' What 'Cha Do

Stephanie Mills

You are a diamond  
That sparkles from a distant shore  
And I love you  
Just say that here you'll stay  
Inside my world forevermore

And I need you  
Darling, I will be your everything  
Life ties with the seasons, love will flow  
Love will grow

You touched, it meant so much  
You're a special part of me and I love you  
In love together we will always be  
Always the ties of love will bind, you and I

Don't stop doin' what we do  
Can't stop falling in love  
Making plans for two  
Don't stop doin' what we do  
Hearts keep callin' out love  
Just me and you

Mm, mmm, mm

Your kiss has got me spinnin' round  
Just like a carousel  
Do what we want to do  
When we're alone and we won't tell

Darling, I will be your everything  
I'm yours and I want to let you know  
(Want to let you know)  
Whoa, whoa, whoa

Don't stop doin' what we do  
Can't stop falling in love  
Making plans for two  
Don't stop doin' what we do  
Hearts keep callin' out love  
Just me and you
