

Let's Do the Right Thing

Stephanie Mills

Let's do the right thing
We all win in the end
Let's do the right thing
We all win in the end

We need to do the right thing, there's no need to fear
We have the strength to find the truth in the end
Let's sit down and talk about what we need
We're in this together (Oooo)

Let's do the right thing (Yeah, Yeah)
We all win in the end (Oh yeah)
Let's do the right thing (Yeah, Yeah, Yeah)
We all win in the end

We need to do the right thing, there's so much at stake
A world full of hate is so hard to take
Let's fight, fight, fight for justice for those who can't (Oooo
)
We're in this together (Oooo)

Let's do the right thing (Do it)
We all win in the end (Mmmmmm)
Let's do the right thing (Do it)
We all win in the end
(We gotta, we gotta, we gotta)

Let's do the right thing (Oh yeah)
We all win in the end (Do it)
Let's do the right thing (Do it)
We all win in the end
(Oooooo Oooooo)

Let's do the right thing
(Oooooooooooooooooo)
We all win in the end (Do it)
Let's do the right thing
(Yeah Yeah Yeah)
We all win in the end
