

Where Is The Love

Stephanie Mills

I fall asleep by the telephone
It's 2 O'clock and I'm waiting up alone
Tell me where have you been?
I found a note with another name
You blow a kiss, but it just don't feel the same
'Cause I can feel that you're gone
I can't bite my tongue forever
While you try to play it cool
You can hide behind your stories
But don't take me for a fool
You can tell me that
There's nobody else
(But I feel it)
You can tell me that
You're home by yourself
(But I see it)
You can look into my eyes
And pretend all you want
But I know
Your love is just a lie
(Lie)
It's nothing but a lie
(Lie)
You look so innocent
But the guilt in your voice gives you away
Yeah, you know what I mean
How does it feel when you kiss
When you know that I trust you
And do you think about me when he fucks you?
Could you be more obscene?
So don't try to say you're sorry
Or try to make it right
Don't waste your breath
Because it's too late, it's too late
You can tell me that
There's nobody else
(But I feel it)
You can tell me that you're
Home by yourself
(But I see it)
You can look into my eyes
And pretend all you want
But I know, I know
Your love is just a lie
(Lie)
It's nothing but a lie
(Lie)
You're nothing but a lie
You can tell me that
There's nobody else
(But I feel it)
You can tell me that
You're home by yourself
(But I see it)
You can look into my eyes
And pretend all you want
But I know, I know

Your love is just a lie
(Lie)
I know you're
Nothing but a lie
(Lie)
Lie
(Lie)
Lie
(Lie)
Lie
Your love is just a lie
