

Dreams of Someday

Stephen Bishop

Night is falling
Here in the darkness
I can see
Someone like me
Is calling out
Wondering how my hopes and plans
Slipped through my hands

But it's all right
It's okay
I'll never understand it
It just turned out that way
It's all right
It's okay
I still have my
Dreams of someday

I can hear them
Shouting my name
Out from the crowd
Cheering loud
I hear them now
Everything I was meant to be
Guess it wasn't meant for me

But it's all right
It's okay
I'll never understand it
It just turned out that way
It's all right
It's okay
I still have my
Dreams of someday

Time is just a photograph
I can't go on
Living for the memories

Tonight, it's okay
Even if where I'm going
Is a million miles away
It's all right
It's okay
'Cause I still have my
Dreams of someday...
