

I Don't Know Enough About You

Stephen Bishop

I know a little bit about a lot o' things
But I don't know enough about you
Just when I think you're mine
You try a different line
And baby, what can I do?

You know I went to school
And I'm nobody's fool
That is to say until I met you
I know a little bit about a lot o' things
But I don't know enough about you

Jack of all trades, master of none
And isn't it a shame
Cause I'm so sure that you'd be good for me
If you'd only play my game!

I read the latest news
No buttons on my shoes
But baby, I'm confused about you
You get me in a spin
Oh what a stew I'm in
'Cause I don't know enough about you

I know a little bit about biology
And a little more about psychology
I'm a gem in geology
But I don't know enough about you, no
I don't know enough about you
I don't know enough about you
I don't
