

# Let It Snow

Stephen Bishop

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow

Man, it doesn't show signs of stopping  
And I've brought me some corn for popping  
The lights are turned way down low  
Let it snow, let it snow

And we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And, my dear, we're still goodbying  
But as long as you love me so  
Let it snow, let it snow, let it snow

But if you really grab me tight  
All the way home I'll be warm

Oh, the fire is slowly dying  
And, my dear, we're still goodbying  
But as long as you love me so  
Let it snow, let it snow, let it snow

As long as you love me so  
Let it snow, let it snow, let it snow

Let it snow
