

Let Your Heart Remember

Stephen Bishop

I was driving home
As I passed a street where we used to live
So I stopped my car, I had to see you
Time can forgive

Then I saw your face
I'm gonna take you to a place

If you let your heart remember, oh baby
You gotta let your heart remember me

Just a year ago you were in my arms
And we made a vow to stay together
To love each other, where are we now?

'Cause what we had back then we can have again

If you let your heart remember, oh baby
You gotta let your heart remember me

Like the night we fell in love
We can go back, girl
I'll make it up to you

You gotta let your heart remember me
You gotta let your heart remember me
You gotta let your heart remember me
You gotta let your heart remember me...
