

Tiny Pillow

Stephen Bishop

Now it's time to say goodnight
Rest until tomorrow
Go to sleep
And dream sweet dreams
On your tiny pillow

Mister Moon
Has gone to bed
And all the stars are shining
Go to sleep
You sleepy head
On your tiny pillow

When the sun
Wakes you up
We will go a-riding
But for now
Sleep soft and low
On your tiny pillow

When the sun
Wakes you up
We will go a-riding
But for now
Sleep soft and low
On your Tiny Pillow
