

# Oscar

Stephen Day

All my friends ask how I am  
Since you packed your bags  
And went away  
And I just say  
I'm ok, I shrug my

Shoulders like it's no big deal  
Smiling like I barely feel  
A thing  
Funny thing is

Everybody buys it  
No one thinks I'm lying

I deserve an Oscar  
For acting like I'm not hurt  
If you're hearing  
Rumors that I'm over you  
That ain't true babe  
But if this was a movie  
I'd deserve an Oscar

Thanks to the academy  
I'll just be here practicing my speech  
Secretly, I've been dreaming bout you

Got a spot up on my shelf  
Looks like I've convinced everyone else  
But myself

I deserve an Oscar  
For acting like I'm not hurt  
If you're hearing  
Rumors that I'm over you  
That ain't true babe  
But if this was a movie  
I'd deserve an Oscar

I know the script  
I memorized it  
But I don't know how long I can act  
I know the script  
I memorized it  
But I don't know how long I can act  
Like I don't want you back

I deserve an Oscar  
For acting like I'm not hurt  
If you're hearing  
Rumors that I'm over you  
That ain't true babe  
But if this was a movie  
I'd deserve an Oscar  
I'd deserve an Oscar
