

Autopsy

Stephen Duffy

I'm not very bright but I know right from wrong
And I've not been right, for I don't know how long

I cry in my sleep, I laugh when you weep, I lie and I cheat
I talk with my feet, I'm running away, I'm lost and I long for
oblivion

You gave me life, I gave you make believe
You wanted to be my wife, I wanted you to leave

I cry in my sleep, I laugh when you weep, I lie and I cheat
I talk with my feet, I'm running away, I'm lost and I long for
oblivion

I took the darkest ways down and doubtful
?I'm sorry?, I heard you say, we can work it on

I cry in my sleep, I laugh when you weep, I lie and I cheat
I talk with my feet, I'm running away, I'm lost and I long for
oblivion
