

## Blasted With Ecstasy

Stephen Duffy

Blasted with ecstasy  
Don't fall out the tree  
Blasted with ecstasy  
O woe is me

Blasted with ecstasy  
Don't fall out the tree  
Blasted with ecstasy  
O woe is me

Love is a great gift like a precious flower.

Blasted with ecstasy  
Don't fall out the tree  
Blasted with ecstasy  
O woe is me

O woe is me

Well I must say if I was a young girl I think it would  
have  
made quite an impression on me. Whether it would  
have been the right impression, of course, I can't say.

Blasted with ecstasy  
Don't fall out the tree  
Blasted with ecstasy  
O woe is me

Blasted with ecstasy  
Don't fall out the tree  
Blasted with ecstasy  
O woe is me
