

Dr. Stephen

Stephen Lynch

I'm a rich and famous doctor
I always knew I'd be
An expert in the field of
Gynecology

Next on my agenda:
Checking your pudenda
Let me see what I can find
If you get your nerve up
Slip inside the stirrups
Single thought will cross my mind:

I love putting women's minds at rest
I love pushing myself to be the best
Dr. Stephen's in

I've got magic fingers
The doctor of the year
There's not a lip that I can't read
A pap that I can't smear

When your legs are open
I begin the gropin'
But I fear I must be blunt
I would just as soon not
Go near your balloon knot
Think that I'll stick to your... front
