

Dragonfly Pie

Stephen Malkmus

Of all my stone digressions
Some have mutated into the trees
Not a scream?
You are the pole expression of all your parents lies which you
parsed
There's no r's

Can't be what you outta be
Gotta be what you wanna be

Taken with pride
Like a dragonfly
Dragonfly wants a piece of pie
But he is so strung out

Shake me up the knife because I want to go home (x

Curse the v made after jacksons? (??)
Highschool prinicple
Show and tell
Preach and yell

Ghostly iraqi and starship
Ghostly itena Van Gogh
No more signs
No more li-ines

Can't be what you wanna be
Gotta be what you outta be

Taken with pride
Like a dragonfly
Dragonfly wants a piece of pie
But he is so strung out

Shake me up the knife because I want to go home (x 4)
