

## Caught In A Blue

Stephen Sanchez

Your arms have chained me  
Where none can save me  
But if someday we drift apart

If new tender eyes fell into view  
Still, I'd be left thinking of you  
Caught in a blue, ooh-ooh-ooh-ooh  
Caught in a blue over you

For all your kisses  
I'd spend these wishes  
Darling, your wish is my command

Is this the cost for love that's true?  
Forever lost looking for you  
Caught in a blue, ooh-ooh-ooh-ooh  
Caught in a blue over you

Ah, ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah

I want you only  
Come have and hold me  
For all my heart is yours, I swear

If all the world gave into me  
I'd trade it all only to be  
Caught in a blue, ooh-ooh-ooh-ooh  
Caught in a blue, ooh-ooh-ooh-ooh  
Caught in a blue over you  
Caught in a blue over you
