

# Mountain Peaks

Stephen Sanchez

Hold me like you want me  
As a ghost come back and haunt me  
Oh  
Oh  
Oh  
You are easy on my eyes  
If this is love, then make me blind  
Oh  
Oh  
Oh

If your waves could be the mountains I climb  
If I could reach the peaks to touch your mind  
Oh  
Oh, the distance I would go  
If confession leads to something real  
It's not a moment in time for the way I feel  
Oh  
Oh  
Oh no,  
I'm falling again  
I'm falling again  
I'm falling

Reflecting in your eyes of blue  
I am captured by the way you move  
Oh  
Oh  
Oh  
How your voice could steal my breath  
For a moment stop this beating chest  
Oh  
Oh  
Oh

If your waves could be the mountains I climb  
If I could reach the peaks to touch your mind  
Oh  
Oh, the distance I would go  
If confession leads to something real  
It's not a moment in time for the way I feel  
Oh  
Oh  
Oh no,  
I'm falling again  
I'm falling again  
I'm falling again  
I'm falling again  
I'm falling
