

# No One Knows

Stephen Sanchez

No one knows the trouble, honey  
That we've been through  
No one knows the trouble, honey  
That we've been through

When I left you in the cold  
When you cursed at me in bold  
When you broke my old guitar  
When you crashed my brand new car

No one knows the trouble, honey  
That we've been through, mm-hmm  
Still, I know you love me, baby  
I see right through

When I ran you to the edge  
And you pushed me off  
When I tried to tell you  
And you cut me off

Lonely nights I've cried to you  
There's no truth I'd hide from you  
Know I've never lied to you when I've said that I need you

No one knows the trouble, honey  
That we've been through, mm-hmm  
Still, I know I love you, baby  
You see right through

You're still the picture in my locket  
Lucky penny in my pocket  
Still, I hate you when you're talking to me so cruel

No one knows the trouble, honey  
That we've been through, mm-mm  
No one knows the trouble, honey  
That we've been through

Oh, oh, oh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Oh, oh, oh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Oh, oh, oh  
Ooh, ooh, ooh, ooh, ooh, ooh, ooh  
Oh, oh, oh  
Ooh, ooh, ooh, ooh, ooh
