

Shake

Stephen Sanchez

Well, she was a-shakin' to the east, shakin' to the west
An Elvis movin' pelvis underneath a-that a-dress
Oh, come over, little baby, and shake it over here with me
Uh-uh-uh, oh, oh, my heart's a-beatin' like a drum just a-
lookin' for my tambourine

Ooh, she had me movin' like a bullet, a-shootin' out a gun
Tryna get a piece of all her Betty Boopin' love
Come over, little baby, and shake it over here with me
Uh-uh-uh, oh, oh, my heart's a-beatin' like a drum just a-
lookin' for my tambourine

Go, oh

Uh

Well, way down in Louisiana and somewhere in Atlanta
My baby's off and runnin', and you know I gotta catch her
Come over, little baby, and shake it like a leaf on a tree
Uh-uh-uh, oh, oh, my heart's a-beatin' like a drum just a-
lookin' for my tambourine
Yeah

Oh, come over here, baby, and shake it for me

Well, come over, baby, and shake it over here with me
Yeah, a-come over, little baby, and shake it over here with me
Uh-uh-uh, oh, oh, my heart's a-beatin' like a drum just a-
lookin' for my tambourine
Yeah, my heart's a-beatin' like a drum just a-
lookin' for my tambourine
My heart's a-beatin' like a drum just a-
lookin' for my tambourine
