

You shouldn't listen to anything I say
But I'll say it anyway
I don't have the right to say what's on my mind
But if you'll give me some time

I heard someone say
You promised that you'd come back someday

So when are you comin' home?
Cause home isn't home
When I'm there all alone
And if it's not too bold
Then I'd ask you to stay
Would that be ok?
If it's not too bold

I know I don't have much to offer you
But my life, and I do
I owe you a debt more than I can pay
And it grows everyday

But I heard someone say
You promised you'd love me anyway

So when are you comin' home?
Cause home isn't home
When I'm there all alone
And if it's not too bold
Then I'd ask you to stay
Would that be ok?
If it's not too bold

Cause it's lonely here
But I have no fear
There's hope I see...
No, a certainty
You'll soon be here with me

So when are you comin' home?
Cause home isn't home
When I'm there all alone
And if it's not too bold
Then I'd ask you to stay
Would that be ok?
If it's not too bold
