## **Hot Night In A Cold Town**

## Steppenwolf

Sonny's out strolling-ambling slowly-awash in amber streetlight A Mexican wind blows in, breaking the hold Angelenos have on their halos

Motors running muffle all the sound Street talk about big deals going down

We got another hot night in a cold town It's another hot night in a cold town

Johnny's got spare change in his pocket
A ring and a watch too hock for a sweet ride
A one way ticket's hidden in his shoe
The last few hours Sonny, he'll spend with you
He's leaving town without a trace
No forwarding address, he'll never have to face-

Another hot night in a cold town Hot night in a cold town

With the movers and the groovers-cornerboys hanging around Going in and out the doorways-up and down the stairs Stray dogs headed for the pound We got another hot night in a cold town Hot night in a cold, cold-cold town
