Steppenwolf

I like to dream yes, yes, right between my sound machine On a cloud of sound I drift in the night Any place it goes is right Goes far, flies near, to the stars away from here

Well, you don't know what we can find Why don't you come with me little girl On a magic carpet ride
You don't know what we can see
Why don't you tell your dreams to me
Fantasy will set you free
Close your eyes girl
Look inside girl
Let the sound take you away

Last night I held Aladdin's lamp
And so I wished that I could stay
Before the thing could answer me
Well, someone came and took the lamp away
I looked around, a lousy candle's all I found

Well, you don't know what we can find Why don't you come with me little girl On a magic carpet ride Well, you don't know what we can see Why don't you tell your dreams to me Fantasy will set you free Close your eyes girl Look inside girl Let the sound take you away
