

# Deeper Shade Of Blue

## Steps

Into each life some rain must fall  
I didn't know I would catch it all  
The clear skies have gone  
And you with them too  
It's not the same now without you  
I used to say you're so beautiful  
But it didn't change a thing at all  
There's nowhere to run  
Got nowhere to hide  
I can't forget you and I've tried, but...

I'm a deeper shade of blue  
And there's nothing I can do  
You're so far, far away  
Yeah, I'm a darker shade of me  
And I just can't be free  
You're so far, far away  
You're so far away

Into each life some sun must shine  
Well someone else must be getting mine  
The days are so empty  
Night's are so long  
Awaking to find again that you've gone  
I used to say you were wonderful  
Now I just wonder where you are  
It's easy to say memories fade  
But I'm still missing you  
Nothing's changed ... and

I'm a deeper shade of blue  
And there's nothing I can do  
You're so far, far away  
Yeah, I'm a darker shade of me  
And I just can't be free  
You're so far, far away  
You're so far away

Summer is over  
And all we are is apart  
The nights are so cold now  
Without you in my heart

I'm a deeper shade of blue  
And there's nothing I can do  
You're so far, far away  
Yeah, I'm a darker shade of me  
And I just can't be free  
You're so far, far away  
You're so far away
