

Hold My Heart

Steps

We went through heaven to hell
We know it all too well
We couldn't figure us out
And that's what we're all about

What we don't understand
To breathe we need a hand

'Cause every single time you hold my heart
I give up, I give up
Forget about how we've been set apart
I give up, I will not
Surrender to the wall that knocked us down
No, I don't mind to leave it all right now
'Cause every single time you hold my heart
I give up, I give up

I sail a cloud 'round the globe
Can't even reach you by phone
No, nothing's ever enough
Yeah, as long as we're not in touch

What we don't understand
To breathe we need a hand

'Cause every single time you hold my heart
I give up, I give up
Forget about how we've been set apart
I give up, I will not
Surrender to the wall that knocked us down
No, I don't mind to leave it all right now
'Cause every single time you hold my heart
I give up, I give up

Baby, I know that what we had was true
See, nothing matters if I ain't got you
And you should know that all the things I do
I do it all for you
And it's all for you

'Cause every single time you hold my heart
Forget about how we've been set apart
I give up, I give up
Surrender to the wall that knocked us down
No, I don't mind to leave it all right now
'Cause every single time you hold my heart
I give up, I give up

'Cause every single time you hold my heart
I give up, I give up
Forget about how we've been set apart
I give up, I will not
Surrender to the wall that knocked us down
No, I don't mind to leave it all right now
'Cause every single time you hold my heart
I give up, I give up

Ooh
