

# Leave Me Alone

Stereo Fuse

Time will tell me all I need to know  
And life will lead me where I need to go  
When darkness falls and there's no sign of light  
I know that God will make things turn out right

People tell me all the things I should have said  
And they try to understand what's in my head

Leave me alone  
Leave me alone  
I don't want to talk about my life  
I don't want to know what's wrong or right  
I don't care to know just how this makes you feel  
Ya see

Tell me all the things I need to hear  
And you'll show me all the things I need to feel  
Cause every time you tell me you were right  
Are times you made me feel I'd lost the fight

People tell me all the things I should have said  
And they try to understand what's in my head

Leave me alone  
Leave me alone  
I don't need to know this hurts you so  
I just want so bad to let things go  
And just try and get a sense of what is real  
For me

Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone
