

Trip To Mars

Stereo Fuse

You're on a trip to mars you're a superstar that's who you are
yeah
You're on a rocket ride to a suicide have you lost your mind ye
ah

Everywhere you go now everybody knows your name
Anything that you desire just a phone call away-

You're on a trip to mars you're a superstar that's who you are
yeah
You're on a rocket ride to a suicide have you lost your mind Ye
ah

Everyone you used to know slowly fades away now
Everyone around you and the scene is all the same

You're on a trip to mars you're a superstar that's who you are
yeah
You're on a rocket ride to a suicide have you lost your mind ye
ah

You're a superstar yeah you're a superstar yeah have you gone t
oo far yeah
You're a superstar yeah

Now everyone surrounds you like a child you get your way
And if I stick around you you'll be driving me insane

You're on a trip to mars you're a superstar that's who you are
yeah
You're on a rocket ride to a suicide have you lost your mind ye
ah

You're a superstar yeah you're a superstar yeah have you gone t
oo far yeah
You're a superstar yeah
