Questions addressed to his mannequin  
Did I even break skin? His self help pulp fiction  
Dear I regret to inform his lungs effective, set, worn  
Still subject to be torn, subjected to this

(Self pulp fiction)  
Dear I regret to inform his lungs effective, set, worn  
Still subject to be torn, subjected to this  
SUBJECTED TO THIS!  
Set quick and painless

This anesthetics effects were set to impress  
Common conversation, disregarding his Sunday's best

Common conversation, disregarding his Sunday's best

First time fist fights with near any appeal  
Set quick and painless, half conscious still we deal  
Compositions consist of less than pertinent  
Set quick and painless  
Slightly clever yet aimless  
SUBJECTED TO THIS!  
Set quick and painless
