

# That Everything

Stereo Skyline

Cause I want that brand new Mercedes-Benz  
Tints so dark you can't see in  
And rims to match with it  
I want that house up in the hills  
Swimming pool filled up with girls, yeah  
Just one or two or ten

Cause everyone here can see  
Yeah, that the best things in life ain't free

Cause I just want everything  
Just want that bling bling bling  
Just want that cash and that crib and a Ferrari  
Cause I want that maximum wins, a private jet plane, the Billy Gates  
pay  
I just want, I just want, I just want, just want that everything

Cause I want that court side liquor seats  
Straight sittin between some Kardashians  
Yeah, tell Kim the drinks on me  
Cause I want that Forbes list  
That platinum hit  
That drinkin Weasley kinda shit  
A billboard with my name on it

Cause everyone here can see  
Yeah, that the best things in life ain't free

Cause I just want everything  
Just want that bling bling bling  
Just want that cash and that crib and a few jet skis  
Cause I want that maximum wins, a private jet plane, the Billy Gates  
pay  
I just want, I just want, I just want, just want that everything

M-O-N-E-Y  
Cause I just want everything  
Just want that bling bling bling  
Just want that cash and that crib and a Lamborghini  
Cause I want that butler like Jeeves, the Rolex wathes, the model wif  
ey  
I just want, I just want, I just want, just want that everything

Cause I just want everything  
Just want that bling bling bling  
Just want that cash and that crib and a Ferrari  
Cause I want that maximum wins, a private jet plane, the Billy Gates  
pay  
I just want, I just want, I just want, just want that everything
