

Updown, Get Around

Stereo Skyline

So I've been thinking that maybe baby
I've been going a little crazy lately
Yeah, whatcha gonna do?
Chelsea baby, can't get you out of my head

So I spent today just thinking of ways
That I could make that smile shine
'Cause she's sweet on me
Oh, I'll make her see that she's mine, all mine

So let's float float float away,
And you'll catch, catch me, baby.
So I hope you know I'll never let you go away

So I've been thinking that maybe, baby
I've been going a little crazy lately
Yeah, whatcha gonna do?
And Chelsea baby, can't get you out of my head

So let's hangout in the clouds,
Spill our hearts out and get down.
I swear I'll drop a line if you give me the time we need.

So let's float float float away,
And you'll catch, catch me, baby.
So I hope you know I'll never let you go away

So I've been thinking that maybe, baby
I've been going a little crazy lately
Yeah, whatcha gonna do?
And Chelsea baby, can't get you out of my head

Spinning upside down,
Spill our hearts out and get down or inside out
Just 'cause you know that we get around.
Oh, so I hope you know I'll never let you go, oh whoah

So I've been thinking that maybe, baby
I've been going a little crazy lately
Yeah, whatcha gonna do?
And Chelsea baby, can't get you out of my head

(And you'll catch me, and you'll catch me)
So let's float, float, float away
And you'll catch, catch me baby
Spinning upside down, spill our hearts out and get down.
