Babystrich ...

She stands at Kurfürstenstraße
He gives her 20 Deutschmark
Schoolgirl on the sidewalk
In rainy West Berlin

1 meter 69
43 kilo
Lost child with no tits
And she is only 13

Old men go crazy for her
They know that she needs
Dope and they hope
She will step into their car...

She stands at Kurfürstenstraße
He gives her twenty Deutschmark
She has long greasy hair
And she looks really cool

She's half a child
With pinhead eyes
And high heeled boots
And skin tight jeans

Old men go crazy for her
They know that she needs
Dope and they hope
She will step into their car...
