

Forever 16

Stereo Total

no, i'm not a girlie
not a "heidi"
not a "minnie petite souris"
but you know it could be as well
if you call me mademoiselle

no, i'm not a little cutie
not a sleeping beauty
not a nice and sweet baby
with lolliepops and pink panties
but

i wanna stay
forever 16
forever 16
forever 16
sweet little 16

i am not a woman for real
don't know nothin' about anythin'
for me it is all a dream
a never never ending dream

i wanna stay ...

i could be your mummy
poor boy, there you would be!
but for me it would be funny
on the back of your bike

i wanna stay ...
