

I Wanna Be a Mama

Stereo Total

Yes, I wanna be a mama
I wanna have a baby
I want to play with him
And exploit him well

I wanna be a mama
I wanna have a baby
I'll dress him up as a girl
With lipstick and high heels

I will call him Lucifer and teach him how to criticize
I will teach him how to live of prostitution
I will teach him how to kill - Oh Yeah! - I wanna be a mama

Yes, I wanna be a mama

I don't want to abort
He has a right to live
I refuse birth control

I will call him Lucifer and teach him how to criticize
I will teach him how to live of prostitution
I will teach him how to kill - Oh Yeah! - I wanna be a mama
