

## Chemical Chords

Stereolab

sometimes it is half full  
or sometimes half empty  
for some it is theory  
but for who is concerned it's truly a pity,  
a pity  
Under the ocean night of deep sorrows  
and quietly he misses you  
the harm is visible in the water and  
ingested, how will it show later?  
In the water, our child suffers  
by your absence, he suffers
