

Viewed as natural as trees and grass  
Given way of the middle class  
A promise to outplay the mass  
For all the wealth can be amassed

It's a single story (Story)  
Violently imposed as the (Story)  
Universal narrative  
Of progress and development and of civilisation

The same ones lead, other ones lag  
While majority numbers gag  
Killing the possibilities  
Of there being other stories  
Conceptualisations (Other)  
Of progress and development (Stories)  
Open are the possibilities!

A deluding promise of a middle class for old times on
