

Flashes From Everywhere

Stereolab

Not intended
To be believed
But rather to
Be learnt from
Endless meaning
Willing

My time has come
Awaken
To the myth that
Lives within
Looking for different ways
To assemble the facts
Reveal the connections
The underlying cast

Introducing
Logos, mythos
The rose petals
Presenting a truth of a different order
Wisdom

Abiding truth
To uphold
Intuition is enrolled
To make things whole again
An imagination
Deep subjectivity
The gate to creation

To be the edge
Of history
Primordial themes
Of unity
Our longing to reunite
Mysterious journeying seed
Adventures waiting, proceed
