Once the mind is calm, Once the ego is quailed  
Travel in the realm  
Of which there is no sign  
Hold your thoughts to the present, the present  
Personally realize  
The infinite of being  
Inner peace brings about  
Harmony with the times  
Hold your thoughts to the present, the present  
Become one with the dusty world  
Hold your thoughts to the present  
Pacify, realize the infinite
