

Motoroller Scalatron

Stereolab

What's society built on
What's society built on
What's society built on
What's society built on
What's society built on
What's society built on
What's society built on
What's society built on
It's built on, built on bluff
Built on bluff, built on trust
It's built on, built on bluff
Built on bluff, built on trust
It's built on, built on bluff
Built on bluff, built on trust
It's built on, built on bluff
Built on bluff, built on trust
What's society built on
What's society built on
What's society built on
What's society built on
What's society built on
What's society built on
It's built on, built on words
Built on words, built on work
It's built on, built on words
Built on words, built on work
It's built on, built on words
Built on words, built on work
It's built on, built on words
Built on words, built on work
Responsible for what I say
Responsible for what I hush
Responsible for what I say
Responsible for what I hush
Responsible for what I say
Responsible for what I hush
Responsible for what I say
Responsible for what I hush
