

Chances Are

Stereophonics

Chances are you'd like to be untouchable
Chances are you wanna feel irresistible
Chances are you wanna be rock n roll
For who?
You choose?
For you?
Or the others who turn you on?

Chances are you wanna feel in control
Chances are you'd like not to be alone
Chances are you'd like to go and get divorced
From who?
From you?
From your lover?
That you depend upon

Chances are you'd like to bend and break the rules
Chances are you'd like to let it all hang loose
Chances are you'd like to feel more love at home
Chances are you'd like to be less insecure
Chances are you're really gonna mess it up
Chances are you're probably gonna drink it off
Chances are you maybe be the one for me
Chances are I wind up sleeping with the enemy

Don't hold it back
Don't hold it back
Don't hold it back
Don't hold it down

Don't be disillusioned
It soon works out
What seems so confusing
Yeah it soon works out
What feels so uncertain
Yeah it soon works out

Whoa whoa
It soon works out
Whoa whoa
It soon works out
Whoa whoa
It soon works out
It soon works out
