

Colours Of October

Stereophonics

There's nothing like the colours of October
Make you feel you can start it all over
Like pink blossoms in the spring

Yes, I feel what you feel
Yes, I feel what you feel

Turn our backs to each other in protest
White flag in this warring feels hopeless
Snow blankets the world, a new page
From the dark of the night and the rage

Yes, I feel what you feel
Yes, I feel what you feel

Do I love you? Yes, I do
Do I want you? Yes, I do
Do I need you? Yes, I do

Leave with blood and wine
October's truth
Tears burn my cheeks
As blackbirds flew

Yes, I feel what you feel
Yes, I feel what you feel
