Stereophonics

Banging in my head  
I can't get no sleep  
The big man with the hammer  
Is making me weak

Wherever I stay  
The drilling never stops  
Home or away  
I'm gonna lose the plot

How many nails?  
How many ways?  
How long's it take?  
Ya keeping me awake  
Hammerhead

Laying in my bed  
While I'm getting head  
The banging follows me  
I can't get no sleep

It's driving me insane  
Every night and day  
I wanna nail you down  
So you can't make a sound

How many nails?  
How many ways?  
How long's it take?  
Ya keeping me awake  
Hammerhead
