

# Hangman

## Stereophonics

All the young hangman, what you done?  
How you gonna hang me, your preacher's son?  
All the young hangman, what you done?  
How you gonna get any killing done?

All the young hangman, what you done?  
How you gonna get any sleeping done?  
All the young hangman, what you done?  
How you gonna get any kneeling done?

Shoot me

All the young hangman, what you done?  
How you gonna hang me, your preacher's son?  
All the young hangman, what you done?  
How you gonna get any killing done?

All the young hangman, what you done?  
How you gonna get any sleeping done?  
All the young hangman, what you done?  
How you gonna get any kneeling done?
