

## Have Wheels Will Travel

Stereophonics

I feel fine, I feel fine  
You were mine  
I feel fine all the time

So take a look outside my window  
I got a beautiful view

Have wheels will travel  
Have wheels will travel  
Have wheels will travel  
Have wheels will travel

I got time  
I got time on my side  
I got time on my side

So take a look outside my window  
I got a beautiful view

Have wheels will travel  
Have wheels will travel  
Have wheels will travel  
Have wheels will travel

It's a beautiful view, baby

Close my eyes  
Close my eyes for a while  
Close my eyes for a while

So take a look outside my window  
I got a beautiful view

Have wheels will travel  
Have wheels will travel  
Have wheels will travel  
Have wheels will travel

Have wheels will travel  
Have wheels will travel

You better close your eyes, baby
