

Jack In A Box

Stereophonics

You think that you got it made
While I'm on a holiday
Life of luxury
You feel, so free

You're one of the finest thieves
You got no loyalty
You're king of my garden trees
You feel, so free

Like a Jack in a box
Gotta think like a fox
Get you in my sights and see
Show you one last time down the line, yeah

It's time to run from me
There's no more room for thieves
You had your luxury
So free, be free

I got my sights on you
I'm coming for you soon
I got my eyes on you
Be gone, be gone

Like a Jack in a box
Gotta think like a fox
Get you in my sights and see
Show you one last time down the line, yeah

Like a Jack in a box
I gotta think like a fox
To get you in my sights and see

Like a Jack in a box
I gotta run like a block
Get you in my sights and see
Show you one last time down the line, yeah
